Chiro One Wellness Centers

Chiro One Wellness Centers offers a variety of services such as corrective chiropractic care, spinal cord and column rehabilitation, exercise, nutrition and diet evaluation, and seminars and lectures on a variety of health topics.

Chiro One Wellness Centers offers the most up to date computer technology to assist our patients in their journey to health.

Chiro One Wellness Centers have been serving the Midwest since 1992. They were founded for the sole purpose of educating, treating and coaching families and individuals in how to lead an extraordinary life of health and wellness.

OUR VISION

That every human being discovers their full potential.

OUR MISSION

To be leaders in developing extraordinary wellness for families and individuals by taking a stand for the well being of our communities through education and service since 1992.
